

GLENN LAYTON HOMES

OASIS CLUB

At Glenn Layton Homes quality means teaming with trade partners who take pride in their work and install top-grade materials, which will endure the test of time. We use superior products, new systems, quality control procedures and third-party inspections to protect your most important asset for years to come. We also invite you to a series of on-site visits to ensure your home is being built according to your approved plans and construction specifications.

Glenn Layton Homes is
"Building Your Coastal Lifestyle."
